11. (Internal Use Only - JGO) Received a call from Herb Roback, Staff Director, Legislation and Military Operations Subcommittee, House Government Operations Committee, concerning the letter of 15 March from Representative Edward Koch addressed to Chairman Holifield, the Director, and Mr. McGeorge Bundy, President of the Ford Foundation. It is Roback's opinion that the Bundy letter to Koch categorically denying any involvement of the Ford Foundation personnel in the NYPD determination to seek Agency guidance "as to the best system for analyzing and evaluating intelligence" is somewhat of an overreaction. I told Roback we would touch base once again with the NYPD and be back in touch with him tomorrow.

25X1A 12. He told me in confidence that he is also meeting later in the day with Murphy for possible additional changes to the study. [ ] has been advised.

14. (Internal Use Only - JGO) Met with John Martiny, Chief Counsel, House Post Office and Civil Service Committee, and discussed with him several items of current legislative interest. See Memo for the Record.

15. (Internal Use Only - JGO) Met with John Guess, in the office of Representative Parren Mitchell (D., Md.), concerning Mitchell's letter asking if members of the Baltimore police were involved in Agency training.
